BTSym'20 - Ref.: Paper (ID 144 – “Acanno: Um jogo eletrônico de RPG com acessibilidade em LIBRAS”)

Dears : **Gabriel B. da Silva Lima, Marcos R. dos Santos, Almir de O. Costa Junior and Jucimar M. da Silva Jr**

On behalf of Prof. Dr. Yuzo Iano, I am pleased and honored to invite you as a **Poster Presenter** of the Brazilian Technology Symposium (BTSym-2020) event.

This event seeks to bring together researchers, students, and professionals from the industrial and academic sectors, seeking to create and/or strengthen the linkages between issues of joint interest. Participants are invited to submit research papers, case studies, articles of opinion, or posters, showing studies, methodologies, and results achieved in scientific level research projects, completion of course work for graduation, dissertations, and theses.

As part of the process, the organizing committee provide below some instructions that should be followed to consolidate your presentation.

Instructions:

1. Develop a presentation of 7 minutes long in a Poster PowerPoint template.
2. The presentation can be performed in the language of your choice. However, please let us know if it is in any language other than Portuguese, English and Spanish.
3. You will receive a presentation certificate with the names of the authors and coauthors.

Thanks for your consideration. We are very happy and grateful for your participation and the presentation of your research on BTSym'20.

Yours faithfully,

Organizing and Executive Committee - BTSym'20

Gabriel Gomes Oliveira - *Institutional Relationship Chair*
